FINANCIAL ASSISTANCE FOR COLON CANCER TREATMENT

BORLAND GROOVER®

The Borland Groover Foundation was created to help improve the lives of people in the Jacksonville community. In 2008, we began hosting *March To Get Screened*, a 5K race that began with the mission to end colon cancer and has grown to become so much more.

Thanks to generous support from the community, we created the Financial Assistance Program to help cover various medical treatment expenses for people recently diagnosed with colon cancer.

HOW IT WORKS

If you qualify, you are eligible to receive up to **$5,000 per person, per year,** to cover gastrointestinal medical services. Medical charges are paid directly to your provider; so unpaid invoices must be submitted with the program application.

WHO IS ELIGIBLE?

To be eligible for financial help, you must be:

• Newly diagnosed with colon cancer

• In financial need (must be under 350% of the federal poverty level)

WHAT'S INCLUDED?

• Out-of-pocket costs include copays, coinsurance and deductibles
